CLUB PROPOSALS 23

DNC

ISRF engage in several land races flying from the west of Ireland in conjunction with such as Pilmore Beach and Wexford. We can get over 200 miles going west and slightly north west. Flying these routes may reduce the carnage from hawks and the added benefit is we would not be flying over Baldonnel Airport which would reduce the risk of bird strikes with aircraft.

SECTIONS

North Kildare RPC

That the North Kildare RPC be reinstated into the ISRF section T as previously up until 2018. Yours in Sport Anthony Keegan.

Blanchardstown.

That we be taken out of section F and put into section T . Yours in sport.

From Donnycarney
